ANDROID DEVELOPER

Versatile Android Developer with a passion for crafting innovative mobile applications. Proficient in Java/Kotlin, UI/UX design, and integrating APIs. Committed to delivering user-centric and efficient solutions for seamless user experiences.

EXPERIENCE

Junior Android Developer

Significant Infotech

June 2022 – Nov 2023

OnSite – Surat, Gujarat, India

- Designed and built 15+ innovative, intuitive, and responsive native apps, and successfully updated 10+ apps to enhance features and maintain optimal performance.
- Debugged and resolved issues through thorough testing, including unit tests, UI tests, and debugging tools, resulting in a reduction of app crashes and errors.
- Optimized app performance through efficient memory management and resource handling, resulting in faster load times and improved battery life.
- Published and managed apps on the Google Play Store, including handling app updates and responding to user feedback and reviews.
- Implemented and optimized app architecture patterns, such as MVVM, or Clean Architecture, to improve code maintainability and scalability.
