CAREER OBJECTIVE:

Motivated and skilled iOS Developer seeking a challenging position to design and build innovative applications for the iOS platform. Aiming to contribute technical expertise in Objective-C/Swift, Cocoa Touch, and iOS frameworks to ensure the performance, quality, and responsiveness of applications...

EDUCATIONAL QUALIFICATIONS:

COURSE	INSTITUTE	BOARD/ UNIVERSITY	YEAR OF PASSING	PERCENTAGE/C GPA
Bachelor Of Technology B.Tech (CSE)	PACE Institute of Technology and sciences	JNTU KAKINADA UNIVERSITY	2023	74%
Diploma	St Ann's college of engineering and technology	SBTET	2019	70%
SSC	St Joseph High school	BOARD OF SECONDARY EDUCATION A.P	2016	72%

TECHNICAL SKILLS:

- **iOS Development:** Proficient in designing and building applications for the iOS platform.
- **Programming Languages:** Strong skills in Objective-C and Swift based on project requirements.
- **iOS Frameworks:** Experience with iOS frameworks such as Core Data, Core Animation
- **Performance Optimization:** Proven expertise in ensuring the performance, quality, and responsiveness of applications.
- **Data Management:** Experience with offline storage, threading, and performance tuning.
- **API Integration:** Familiarity with RESTful APIs to connect iOS applications to back-end services.
- **Web Technologies:** Knowledge of other web technologies HTML, CSS and adherence to UI/UX standards.
- **Design Principles:** Understanding of Apple's design principles and interface guidelines.
Programing language : Java, Python, C
- **DATABASE :** MYSQL, RDBMS, EXCEL

PROJECT:

DATA ANALYST ON HEART DISEASE Using Python Machine Learning

- Description: Conducted rigorous information gathering and analysis to identify and scope business requirements, facilitating effective solution delivery.
- Designed analytics techniques, ensuring alignment with current and future business needs.
- Developed and implemented test strategies, systematically verifying solutions against design specifications.
- Collaborated with Senior Analysts and Lead Analyst to deliver impactful business outcomes.

Tools Used : Jupyter Notebook

Languages : PYTHON

INTERNSHIP/Professional Experience :

- Done Internship on **Machine learning** using Python by **Verzeo** for 2 months.

ACHIEVEMENTS:

- Completed **Programming Essentials in Python** course authorized by **Cisco Academy**.

HOBBIES:

Following Financial Markets, Data Trends Analysis, Problem-solving
Demonstrated proficiency in analytical tools, facilitating informed decision-making.
Analyzed and contributed to various business cases, providing valuable insights.

PERSONAL DETAILS:

Father's Name : RameshUngarala

Mother's Name : Sri Lakshmi

Address : 4/55 Station Road, Chinnaganjam,

Marital Status : Unmarried

Languages : Telugu, English and Hindi.

DECLARATION:

I hereby declare that the above information is true to the best of my knowledge and belief.
