Raj Kumar

iOS Developer

To apply my 1.5 year experience as an iOS developer, strong proficiency in Swift, Xcode, and UIKit, and a proven track record of working on 6 to 8 real projects to contribute to the creation of innovative and user-friendly iOS applications. Committed to delivering high-quality code, optimizing performance, and staying updated with the latest iOS development trends to ensure exceptional mobile experiences.

Experience

■ iOS Trainee

Fulgent Technologies Pvt Limited *Sector 65,Noida*
May 2022 - Oct 2022

Completed a 6-month iOS training program, gaining expertise in Swift, Xcode, and UIKit. Assisted in real app projects, learned testing, documentation, and followed best practices, while staying updated with the latest iOS trends.

■ iOS Developer

Kiwitech India Pvt Ltd *Sector 3,Noida*
Dec 2022 - Jun 2023

TeachMe Project:

- Develop and maintain the Teachme iOS app.
- Implement user-friendly interfaces for students and tutors.
- Integrate real-time and on-demand tutoring features.
- Ensure secure scheduling and payment processing.
- Enable user profiles and feedback mechanisms.
- Guarantee cross-device accessibility.
- Continuously enhance and optimize the app for an exceptional user experience.

■ iOS Developer

Fluper Ltd *Sector 63,Noida*
Jul 2023 - Present

Tulaabi project:

- Developed the iOS app from scratch using Swift.
- Designed user-friendly interfaces for textbooks and online classes.
- Integrated backend services for content access.
- Enabled live and on-demand classes and personalized study plans.
- Ensured cross-platform accessibility and compatibility.
- Conducted testing and ensured compliance with App Store guidelines.
- Stayed updated with the latest iOS trends for continuous improvement.

CLUBPE Project:

My role as a developer in the ClubPe project involves creating and maintaining a multi-panel app that facilitates booking tables and parties at various venues. It requires a focus on user experience, security, and continuous improvement to ensure the success and growth of the platform.

Education

■ B.Tech

B S A COLLEGE OF ENGINEERING AND TECHNOLOGY,MATHURA
Mathura,Uttar Pradesh
Aug 2018 - Jul 2022

Projects

- TeachMe Project
- Club Pe Project
- Tulabi Project
- GroundBooking Project
