INTERNSHIP EXPERIENCE

Web Development Intern

CodSoft

July 2023 – August 2023

Remote

Developed and maintained websites using HTML, CSS, and JavaScript, ensuring user-friendly interfaces. Implemented front-end design elements and added interactive functionality through JavaScript. Demonstrated proficiency in fixing bugs, troubleshooting issues, and documenting code. Stayed updated with evolving web development trends.

TRAININGS

Java Full Stack Development

Generation India & Vinsys IT Limited

Aug 2023 – Nov 2023

Online

- Completed a comprehensive 4-month online training in Java Full Stack Development, gaining proficiency in HTML, CSS, JavaScript, Angular, Spring Boot, and version control with Git/GitHub.
- Equipped with hands-on experience in building scalable web applications and collaborating effectively within a development environment.

Web Development

Internshala

Dec 2022 – Mar 2023

Learn Full Stack Web Development: HTML/CSS, MySQL, PHP, JavaScript, and React and build a website from scratch. Apply the knowledge of HTML, CSS, Bootstrap, MySQL, and PHP to create a student accommodation website that works seamlessly on different devices.

PROJECTS

PGLife: Student Accommodation Website

- Developed a full-stack website for student accommodation using HTML, CSS, JavaScript, React, and PHP. Built a responsive front-end using HTML and CSS, and implemented interactive features using JavaScript and React.
- Designed a back-end database using PHP and MySQL to store and manage user information, as well as implemented user authentication and authorization.

Breakout Ball Game using JavaScript

- Created a classic breakout ball game using HTML, CSS, and JavaScript technologies with the goal of developing an entertaining and interactive gaming experience for users.
- Implemented game logic, physics engine, and user interface to create an engaging and interactive gaming experience.
