

# RESUME

**Name:** Vidyasagar Gajula

**Mobile No:** 8297970576

**E-mail:** [vidyasagargajula99@gmail.com](mailto:vidyasagargajula99@gmail.com)

## Profile in Brief:

To make sincere and continuous efforts towards building a promising career and to take challenges so that I can contribute to the growth and success of the organization.

## Skills Set:

Programming Languages: C, Java, Python, MySQL, HTML, CSS, JS.

Frameworks: Spring Framework.

Tools: Postman API.

Operating Systems: Windows 10, Mac OS, Linux.

## Academic Qualifications:

- **Bachelor of Technology** with specialization in **Electronics and Communication Engineering** from Ashoka Institute of Engineering & Technology with 6.31 CGPA, JNTU Hyderabad (2022).
- **Intermediate** with specialization in MPC from Board of Intermediate Education during 2016 with an aggregate of 73%
- **SSC** from State Board of Secondary Education in 2014 with 7.8 GPA.

## Working Experience:

- Worked as Intern in Plasticon Technologies, Hyderabad in July - Dec 2021

## Intern Project:

Title: Hospital Information Management System

Description: Hospital information management system is an application which is used in any hospital and clinic. This application will be used to maintain the patient's information (Personal information and medical records) and medicines information, search patients' information and maintain recovered patients' information.

Technologies:

Java, Collections, Spring core, HTML, CSS, SQL.

## Academic Project:

### Bus Identification System for Blind People using RFID

This system is designed to provide information for blind assisting with voice command signals utilize RFID technology for task of identification. The main purpose is to provide a bus detection system for blind people by assigning different tags to different buses with the help of Radio Frequency Identification (RFID) technology.

## Achievements:

- Participated in E-Yantra online crash course on Embedded Systems and Robotics, IIT Bombay.
- Fintech Engineering Virtual Experience Program at Goldman Sachs and Forage.

**Certifications:**

- JAVA
- Core and Advanced Python
- SQL

**Personal Qualities:**

- Good communication and interpersonal skills.
- Good team player in a team environment with Positive attitude.
- Willingness to accept any challenge irrespective of its complexity.

**Technical Skills:**

- Strong Understanding of OOPS concepts and SDLC concepts.
- Good Knowledge in Microservices architecture and Restful API
- Knowledge on JDBC and JPA
- Knowledge on SWAGGER API
- Expertise in Spring framework for developing Microservices
- Expertise in MySQL Workbench.
