

ARITRA KAR

Web Designer

About Me

I am a passionate web designer with expertise in UX/UI design, I bring a versatile skill set to create visually appealing and user-centric digital experiences. With a strong foundation in HTML, CSS, and JavaScript, I have the technical proficiency to bring designs to life. Proficient in tools like Figma and Photoshop, I excel at crafting intuitive interfaces and engaging visuals. My proficiency in React allows me to build interactive web applications that seamlessly merge design and functionality. I am committed to delivering innovative solutions that enhance user satisfaction and achieve business goals .
