## EXPERIENCE

### ReactJs Developer

InfusAi Solution Pvt Ltd

August 2022 - Present, Bhopal

- In my role as a React developer at InfusAi Solution Pvt Ltd, I played a key role in designing and implementing user interfaces for various web applications. I collaborated with cross-functional teams, including designers and backend developers, to deliver high-quality and responsive user interfaces using React. One notable project involved optimizing the performance of a critical application, resulting in a 20% improvement in load times.

### Frontend Developer Trainee

Trustable Solution Pvt Ltd

January 2022 - July 2023, Remote

- One of my main responsibilities was to collaborate with senior developers to understand project requirements and contribute to the implementation of responsive and visually appealing user interfaces. I worked extensively with HTML, CSS, and JavaScript to build and style different components of web pages.
