## EDUCATION

---

- |  |            |
|--|------------|
| ➤ Pursuing Masters of Computer Applications, GLA University ,Mathura | Pursuing   |
| ➤ Bachelor of Computer Applications, D.S. Degree College, Aligarh    | June 2022  |
| ➤ Intermediate, Gagan Public School, Aligarh                         | April 2019 |
| ➤ High School ,Gagan Public School, Aligarh                          | March 2017 |

## PROJECTS

---

### Online Quiz System Website:

- I led the design and development of a comprehensive Online Quiz System, showcasing my proficiency in web application development and project management.
- Created an intuitive and responsive user interface using HTML, CSS, and JavaScript to ensure optimal user experience.
- Leveraged PHP to build the server-side logic, database interactions, and user authentication system. Utilized MySQL for efficient data storage and retrieval.
- Implemented a wide range of features, including timed quizzes, multiple-choice questions, scoring mechanisms, and user progress tracking.

## SKILLS

---

### Technical

- Proficient in programming languages such as **C**, **Java** with **Data structure**, **Python** and **OOPs** Concept.
- Database Knowledge **Oracle SQL** and **Google Firebase**.
- Competent in front-end programming using **JavaScript**, **CSS**, and **HTML5** and understanding of back end development, including server-side scripting languages like **PHP**.
- Compatible to use **Google Collab**, **Jupyter Notebook**, and **GitHub**.

### Professional

- Effective analytical skills
- Willingness to learn new things
- Continuous learning mind set and a passion for staying updated with industrial trends

## ACHIVEMENTS

---

- Secured **5th** rank(team) in coding contest at Intra University level held on 16th April 2023, organized by **Codebusters** club GLA University, Mathura.
- **5 star** and **4 star** ranking on **Hacker Ranks** in **Java** and **SQL** respectively.

## CERTIFICATIONS

---

- **Python** Essentials by **Cisco Networking Academy**
- **Java** Essentials by **Sanfoundry Global Education and Learning**

## EXTRA/CO-CURRICULAR ACTIVITIES

---

- Attended two days seminar on **React JS**, hosted by Nitin Pandit (Microsoft Most Valuable Professional) at GLA University.
- Attended online workshop on Android Development using Flutter and Java, organized by Meentosys Pvt. Ltd.

## DECLARATION

---

I hereby declare that all the above mentioned information is true and correct to the best of my knowledge.
