EDUCATION

Bachelor of Technology (Hons.) Kamla Nehru Institute Of Technology

2019 - 2023

sultanpur, 7.99 CGPA

Courses

- Electrical Engineering

XII-Standard Jawahar Navodaya Vidyalaya

04/2017 - 04/2018

Maharajganj, 84.8%

Courses

- PCM

X-Standard Jawahar Navodaya Vidyalaya

04/2015 - 04/2016

Maharajganj, 9.2 CGPA

Courses

- PCMB

WORK EXPERIENCE

INTERNSHIP UPPTCL(400 KV SUBSTATION)

06/2022 - 07/2022

Lucknow, India

Electricity transmission, govt. company

Achievements/Tasks

- Work as intern to understand different aspect of electrical transmission

SKILLS

c++

oops

data structure

HTML

CSS

DBMS

SQL

MICROSOFT WORD

EXCEL

POWERPOINT

ELECTRICAL SCHEMATIC

CIRCUIT DESIGN

EMBEDDED SYSTEM

PERSONAL PROJECTS

IOT based overhead transmission line fault detection system

- design and simulation iot based transmission line fault detection system
- published the real time data of transmission line to internet server
- using MQTT protocol of IBM message is queue to the internet

CERTIFICATES

NCSC(National children science congress)

Chegg india pvt ltd

subject matter expert

Solar Energy Engineering and Technology from IIT
GUWAHATI

(NPTEL)

Non conventional source of energy from IIT MADRAS

(NPTEL)

LANGUAGES

English

Full Professional Proficiency

Hindi

Full Professional Proficiency

INTERESTS

Social and volunteer work

Watching science fiction movie
