Libraries and Tools: React.js, Tailwind CSS, Redux, Node, MongoDB, Express

Libraries and Tools: PostgreSQL, Prisma, GitHub, Docker

WORK EXPERIENCE

Software engineer

CENTRA SOLUTIONS PVT LTD, Pune-Maharashtra

Feb 2023 - Present

- Engaged in code reviews, providing valuable feedback to improve code quality and maintainability
- Focused on writing clean, manageable code and conducted thorough unit and integration testing for high software quality.
- Participated in Requirement Gathering and analyzed test scenarios derived from Requirement Documents, while also generating test data.
- Collaborated closely with cross-functional teams to troubleshoot issues, optimize performance, and enhance overall project delivery

PROJECTS

- Secure Repository GUI (Centra Solution's Product)** — [React.js](#), [Tailwind CSS](#), [Redux](#), [CSS3](#)
 - Developed a secure repository GUI using React.js and Tailwind CSS.
 - Implemented JWT-based authentication for secure access to the repository.
 - Utilized Axios interceptors to cache data and optimize data retrieval for improved performance.
 - Integrated React Query for efficient management of data fetching and caching.
 - Designed and implemented tabular data presentation with sorting and global searching features for enhanced usability.
- Medical Field CMS and UI Development** — [React.js](#), [Tailwind CSS](#), [Redux](#), [CSS3](#), [TypeScript](#)
 - Created multiple features and a content management system (CMS) tailored for medical applications.
 - Developed numerous user interface (UI) pages for various medical field projects, ensuring intuitive navigation and user-friendly design.
 - Collaborated with stakeholders to identify project requirements and translate them into functional UI components.
 - Implemented responsive design principles to accommodate diverse screen sizes and devices commonly used in medical settings.
 - Utilized industry-specific standards and best practices to ensure compliance and data security within the medical field.

EXTRACURRICULAR ACTIVITIES

- Social Worker, Sant Nirankari Mandal**
- Volunteered as a social worker at Sant Nirankari Mandal, actively participating in community outreach programs and initiatives.
