PERSONAL PROJECTS

Quiz Game

- MINI PROJECT : This 'Quiz Game' project is designed for a question in which you can generate and manage a simple database for questions. A quiz is a form of game or mind sport, in which the players attempt to answer questions correctly. It is a game to test the knowledge about a certain subject.

EMPLOYEE PORTAL.

- Employee portal is a desktop application developed to maintain the detail of employees working in any organization. It maintains the information about the personal details of their employees. It is fast and can perform many operations of a company or organization. Its created application can be used on a standalone machine as well as on distributed network.

ADVANCED MUNICIPAL E-GOVERNANCE SYSTEM

- The main purpose of the project is to help the public who are facing different problems in the localities by this online application. This project is having that potential to reduce the gap between people and govt. Here we can also store all information about all public services, schemes, tourism,
