

SANJAY V

JUNIOR DEVELOPER: EAGER TO BEGIN MY CAREER IN SOFTWARE INDUSTRY

CONTACT

9360312186
sanjaybtechit02@gmail.com
12/83 Mettu Street , Karukudi,
Thiruvaiyaru-613204
Thanjavur

SKILLS

Language : Java(Intermediate),
SQL
Web Development : HTML,CSS,
JavaScript
Dev Tools : Excel , MS Visual
Studio, Git And GitHub

EDUCATION

Bachelor of Technology in Information
Technology

**Anjalai Ammal Mahalingam
Engineering College**

2019 - 2023 CGPA - 7.97

Higher Secondary Certificate (HSC)

**Amalraj Matriculation Higher
Secondary School**

2018 - 2019 55.5 Percent

Secondary School Leaving Certificate (SSLC)

**Amalraj Matriculation Higher
Secondary School**

2016 - 2017 81.8 Percent

PERSONAL SKILL

- Ingenuity
- Driven
- Renovation
- Conscientious
- Inventive
- Quick to Adopt
- Tactical Planner

PROFILE

Java Developer with foundational expertise in Java SE, object-oriented design, and application development. Proficient in utilizing Java frameworks and tools, with a keen focus on delivering efficient and maintainable code. Seeking opportunities to contribute and further enhance technical acumen in a collaborative environment."

AREA OF INTEREST

1. **Java Expertise:** Proficient in designing, building, and maintaining robust Java-based applications and websites, ensuring optimal performance and scalability.
2. **Architectural Development:** Actively contribute to software architectural decisions, ensuring alignment with industry best practices and emerging trends.
3. **Code Quality & Efficiency:** Committed to developing well-structured, efficient, and testable code, emphasizing readability and maintainability.
4. **Continuous Learning:** Engaged in ongoing professional development to stay abreast of the latest Java advancements, methodologies, and design patterns.

PROJECT

Enhanced Authentication Method For Cryptography Based Communication System

- **Advanced Authentication System:** Spearheaded the design of a sophisticated authentication mechanism tailored for cryptography-centric communication platforms.
- **Web Development Expertise:** Engineered a contemporary, user-friendly website utilizing HTML, CSS, and JavaScript, prioritizing intuitive navigation and responsive design.
- **Cryptography Integration:** Incorporated state-of-the-art cryptographic protocols, bolstering data integrity and enhancing secure communication channels.
- **Project Outcome:** Delivered a robust authentication-enhanced communication platform, setting benchmarks in cryptography-based security solutions.

IMPLANT TRAINING

- Attended Workshop ON JAVA at Uniq Technologies in Chennai
- I have Finished my Internship on java Uniq Technologies in Five Days- Chennai
- Certified for participating in Full Stack Web Development Program Demo Session conducted by Edureka.
- Certified of participating in Java Training conducted by Spoken Tutorial Project, IIT Bombay.
