OBJECTIVE:

Dedicated and skilled iOS Developer with a proven track record of designing and building high-performance applications for the iOS platform. Seeking an opportunity to contribute my expertise in Objective-C or Swift, along with proficiency in iOS frameworks, to a dynamic team focused on delivering top-notch mobile experiences

EDUCATION:

Bachelor of Technology (B.Tech.) - Computer Science(Data Science)Aug 2019 - Jul 2023

Medi-Caps University, Indore

Higher Secondary Certificate - Science Apr 2018 - Apr 2019

Maharishi Vidya Mandir, Shahdol

Secondary School Certificate - Science Apr 2016 - Apr 2017

Maharishi Vidya Mandir, Shahdol

TECHNICAL SKILLS:

- Proficient in Objective-C and Swift
- Extensive experience with Cocoa Touch and iOS frameworks (Core Data, Core Animation, etc.)
- Strong understanding of offline storage, threading, and performance tuning
- Familiarity with RESTful APIs for back-end integration
- Knowledge of other web technologies
- Adherence to UI/UX standards and Apple's design principles

PROJECTS:

1. ExpenseTracker iOS App
 - Designed and developed an iOS application for expense tracking.
 - Implemented Core Data for efficient data storage and retrieval.
 - Integrated RESTful APIs to fetch and sync data with a cloud-based backend.
 - Optimized performance, resulting in a responsive and seamless user experience.
2. FitnessPal iOS App
 - Contributed to the development of a fitness tracking app for iOS.
 - Utilized Core Animation for smooth and visually appealing transitions.
 - Implemented offline storage to ensure data availability even without an internet connection.
 - Collaborated with a team to enhance user engagement through intuitive UI/UX design.

WORK EXPERIENCE:

iOS Developer Intern [Technocolabs Softwares], [Remote] [7/22] – [12/22]

- Collaborated with cross-functional teams to define, design, and implement new features for iOS applications.
- Ensured the performance, quality, and responsiveness of applications through rigorous testing and optimization techniques.
- Utilized proficiency in Objective-C or Swift and Cocoa Touch as per project requirements.
- Integrated iOS frameworks, including Core Data and Core Animation, to enhance application functionality.
- Implemented offline storage, threading, and performance tuning strategies for improved user experience.

CERTIFICATE:

Certificate 1: iOS App Development Proficiency

Description: This certificate acknowledges that I have demonstrated proficiency in iOS app development, showcasing an in-depth understanding of Objective-C and Swift programming languages. The recipient has successfully designed, developed, and optimized iOS applications using Cocoa Touch and various frameworks, including Core Data and Core Animation. Their contributions to ensuring high performance, quality, and adherence to UI/UX standards have been commendable.
