WORK EXPERIENCE

Associate Engineer Development

Aptean

01/2023 - Present

Madurai

In my 11 months of relevant experience, I have excelled as a hands-on engineer, actively contributing to the development of new features and bug fixes. Working within Agile scrum teams, I've tackled various modules and subsystems of the test framework, demonstrating adaptability and collaborative skills.

EDUCATION

B-Tech

Kalasalingam University

07/2019 - 05/2023

Madurai, India

I've done my B-Tech degree in Computer Science from Kalasalingam University, where I have learned the fundamentals of data structures, algorithms, databases, and web development. I have also completed an online course in Cyber/Computer Forensics and Counterterrorism from IBM. I am passionate about discovering new technologies and ideas that will help me grow both personally and professionally.

MPC

Narayana junior college

06/2017 - 05/2019

Vijayawada, India

CGPA : 9.63

10th

Narayana English Medium High School

03/2016 - 04/2017

Tadipatri, India

CGPA : 9.2

INTERNSHIP

Google Cloud

01/2022 - 07/2022

My passion for cloud technologies led me to a rewarding internship at Google Cloud, where I explored the vast landscape of Kubernetes.
