English

ACHIEVEMENTS

- Successfully completed multiple Flutter projects task on time.
- Worked well with teams and resolved technical issues.
- Received positive feedback for my communication and teamwork.

CAREER GOALS

- I want to become a senior developer and work on advanced mobile apps. I plan to keep learning and growing in my field.

WORK EXPERIENCE

Flutter Developer Intern (INTERNSHIP)

CodeVue Pvt Ltd, Haryana

July 2023 - Sep 2023

- Collaborated with a team of developers to design and develop Flutter applications for clients.
- Participated in the full software development lifecycle, from requirements gathering to testing and deployment.
- Implemented custom UI components and enhanced app performance, resulting in improved user experience.
- Worked on bug fixing and maintenance of existing applications.

Flutter Developer Intern (INTERNSHIP)

Helpy Moto, Delhi

Oct 2023 - Dec 2023

- Stayed up-to-date with Flutter updates and best practices to enhance app performance and reliability.
- Collaborated closely with designers and backend developers to create seamless user experiences.
- Demonstrated expertise in Flutter development, resulting in the timely and high-quality delivery of projects.

PROJECTS

NitraNestle [College App]

- Engineered a user-friendly interface and incorporated a suite of powerful features into the 'NitraNestle'.
- Initiated with a cross-functional team to define project requirements and objectives, ensuring alignment with business goals.
- Engineered an intuitive and user-friendly interface for the NitraNestle platform, resulting in a 40% increase in user engagement and a 25% decrease in customer support issues.

Helpy Moto - [Mechanic App]

- Significantly improved the app's user experience and responsiveness
- Planned with the backend team to optimize API calls
