Projects

- Spinning Mandalas

Spinning Mandala is an innovative React Native mobile application that is a wellness and relaxation feast for both the eyes and ears. Mandalas are extremely complex geometric arrangements of ancient visual delights, symbols and sculptures. They are also humanity's oldest physical representation of complex sound – original digital sound files. In spiritual traditions and therapeutic techniques, mandalas are used to create focus, establish sacred space, and as an aid to meditation and relaxation.....SPINNING

MANDALAS FEATURES:-..... • Curated selection of high quality binaural beats tracks, tailored to individual chakra frequencies • Animated mandalas for added visual stimulus • Custom mandala builder – change multiple levels of rings and colors • Chakra education videos – one comprehensive animated video for each chakra • Library of introductory lessons on: Meditation, Chakras, Binaural Beats, Mandalas, Mindfulness, and related topics • Subscribing gets you new content immediately!
