EDUCATION

Schooling

Delhi Public School Greater Noida

06/2006 - 08/2018

Percentage - 89%

BTECH in computer science

Jaypee Institute of Information and Technology

07/2019 - Present

CGPA - 6.4

WORK EXPERIENCE

Intern

IIT DELHI

06/2022 - 07/2022

https://drive.google.com/file/d/1zV5d1y1PZORDYiehcF1R_cXmSbeGDV1w/view?usp=sharing

- Developed a machine learning model to determine the possibility of brain stroke in a patient by analyzing fa values of the various parts of the brain

Intern

Thales

02/2023 - 08/2023

Noida

<https://drive.google.com/file/d/1h8obhm5ht2xipDido1RprBHzj3bNbPD/view?usp=sharing>

Achievements/Tasks

- During my internship as a Java Spring Boot Developer at Thales, I played a pivotal role in contributing to the design, development, and enhancement of cutting-edge software solutions. My work directly impacted critical projects, enabling Thales to deliver high-quality and secure applications that meet the needs of our clients and advance the industry.
