Visakhapatnam

Class X (CBSE)

Sri Chaitanya Techno School

06/2015 - 07/2016

Visakhapatnam

PERSONAL PROJECTS

CRUD OPERATION PROJECT

• CRUD Operation A CRUD operation project using React.js involves creating a web application that allows users to perform basic database operations such as creating, reading, updating, and deleting data. •The project includes a front-end built using React.js, a back-end implemented using a server-side technology, a database to store the data, and an API to communicate between the front-end and back-end.
