OBJECTIVE

Aspiring iOS Developer seeking an opportunity to apply my knowledge and skills in mobile app development, with a focus on ensuring performance, quality, and responsiveness of applications.

EDUCATION

Mca (Master of Computer Applications) , Osmania University. 2021 - 2023

Aurora's Pg college Ramanthapur Hyderabad: (CGPA 7.5)

Bsc (Bachelor of Science) , Satavahana University.

(Mstcs). Mathematics, Statistics, Computer Science: (CGPA 8.3) 2017 - 2020

SKILLS

Proficient in Swift and Cocoa Touch

Familiarity with Objective-C

Experience with iOS frameworks: Core Data, Core Animation

Strong understanding of offline storage, threading, and performance tuning

Knowledge of RESTful APIs for backend integration

Familiar with UI/UX standards and Apple's design principles

Quick learner and effective collaborator in team environments

Soft Skills : Problem Solving, Leadership, Verbal and written communication, Time management,

PROJECTS

Food Munch (naveensfoodpage.ccbp.tech)

Developed a responsive website for Food Store where users can see a list of food items, detailed information about a food item, offers

- Designed page using following HTML structure elements like li, header, article, footer elements and different bootstrap components to show different sections in the website and different bootstrap classes for responsiveness through mobile-first approach.
- Implemented product youtube videos by using bootstrap embed and model components
- **Technologies used:** HTML, CSS, Bootstrap

Tourism Website (naveentourism4.ccbp.tech)

Developed tourism website where users can browse through the content, videos and images of popular destinations.

- Implemented mobile friendly layout using different HTML block, inline elements, and Styled using CSS3 properties such as background, flex, and CSS box model properties.
- Implemented multiple images of a particular destination in a carousel using bootstrap carousel and virtual tour videos using bootstrap embed component.
- **Technologies used:** HTML, CSS, Bootstrap

Technical Proficiency

- Programming Languages: Swift, Objective-C.
- iOS Development: Cocoa Touch, Core Data, Core Animation.
- Tools: Xcode
- Version Control: Git

ACHIVEMENTS

- Spearheaded the redesign of the user interface on a food delivery website, resulting in a 20% increase in user engagement and a 15% boost in order placements.
- Efficient Performance Enhancement
- Implemented backend optimizations on a restaurant review platform, leading to a 25% reduction in page load times and improved overall website performance.
- Innovative Menu Integration
- Successfully integrated an innovative menu recommendation feature into a food discovery app, enhancing user experience and receiving positive feedback from users.
- Cross-Functional Collaboration
- Collaborated with cross-functional teams to implement a real-time order tracking system, contributing to a seamless and transparent customer experience.
