## EDUCATION

### Narula Institute Of Technology

B.Tech in Computer Science and Engineering  
2020 - present

**CGPA : 8.57**

### Serampore Union Institution

Higher Secondary Education (12th Science)  
2017-2019

**Percentage : 71.00%**

### Mahesh Sri Ram Krishna Ashram Vidhyalaya

Secondary Education (10th General)  
2006-2017

**Percentage : 75.43%**

## HOBBIES

- Listening music
- Cooking

## STRENGTH

- Leadership
- Honesty
- Committed to Hardworking especially as a team member

## SKILLS

### TECH STACK

- C
- PYTHON
- SQL
- CSS
- JAVA
- AWS
- HTML
- JAVASCRIPT

### CS FUNDAMENTAL

- Object Oriented Programming (OOPS)
- Database Management System (DBMS)
- Data Structures and Algorithm (DSA)

## TRAINING/INTERNSHIPS

Martians Summer Internship program 2023 with Persistent Systems from 19th June 2023 to 6th August 2023

----Literature reviewed and conducted a thorough analysis of various aspects of 4 different domains such as Data Structure, Linux, Core Java, DBMS .

## PROJECTS

### 1) BooksOpedia (Deploying a lex bot of AWS by using a Cloud-based web hosting system)

- We've developed a chatbot that suggests books to individuals. Based on the preferences of the chatbot, such as genre, author, and best seller.
- We have used HTML, CSS, and JavaScript to build the website.

### 2) Heart Attack Prediction Analysis Using various Machine Learning algorithms

- "Developed a heart attack prediction model utilizing diverse ML algorithms—Logistic Regression, Decision Tree, Support Vector Classifier, Random Forest, and K-Nearest Neighbours—assessed for optimal performance."

## DECLARATION

I hereby declare that all the above information is true to the best of my knowledge and belief.
