## TECHNICAL SKILLS

- **Programming** Java,python,c++,c.
- **Persistent Technology** JDBC
- **Web Technology** HTML, CSS, JavaScript.
- **Databases** SQL
- **Tools** Eclipse, MySQL.
- **Databases** Oracle, MySQL
- **Programming** Java

## PROJECTS

### Undergraduate Projects:

- **System for managing vehicle services.**

**Description:** The Main goal of this project is to provide A variety of services through the online to the customers. The mainly our project contains three modules Customer and admin and mechanics. Customer will send the request, our admin will check the given problem and we can allocate the mechanic through the customer. We can provide the feedback to the customer through the App.

- **IoT based Foot step generator.**

**Description:** This IoT based mini project. We are generating electricity by applying pressure to the sensor. Basically, A single sensor can't generate that much power. That's the Reason we are placing a series of sensors in it. The Generated power is stored in a battery and we use it to charge the Mobile phones, glow Small lights etc. It will count the number of persons through sensor. When the capacity reaches the limit automatically doors will be closed

### Internship Course:

- **Amazon webservices Internship using Ai & ML.**

**Description:** The Intern ship is mainly based on Amazon webservices using to perform the task to create a Bucket and how to upload sources and create a repository and import modules.

## CERTIFICATION

---

- I have successfully completed Microsoft certification in HTML and CSS
- I have successfully completed python certification in hacker rank platform.
- I have successfully completed in Amazon webservice in AICTE internship

## ACHIEVEMENTS

---

- Active member of **NSS** (National Service Scheme) during my undergraduate studies.
- Active member of **NCC** (National Cadet Corps) during my SSC..

## LEADERSHIP

---

- Raise club member In our college in 2023 IT.

## STRENGTHS

---

- Quick Learner
- Hardworking
- Adaptability
- Time management

## DECLARATION

---

I hereby declare that all the above-mentioned information is true according to my knowledge.

**Place:** Guntur

**Date:** 20-08-2023
