PROJECTS

PORTFOLIO WEBSITE

I created a portfolio website using HTML, CSS, JS, and React. Showcase my skills, projects, and achievements in a visually appealing and interactive manner. Demonstrate my proficiency in web development while highlighting my personal brand and professional accomplishments.

E-Commerce Website

I created an E-Commerce website, utilizing HTML, CSS, JavaScript, and React. Use HTML for structure, CSS for styling, JavaScript for interactivity, and React for building dynamic components and managing state, resulting in a seamless online shopping experience.
