## SKILLS

**Front End :** JavaScript · React.js HTML · CSS | **Back-end :** java · python · Node.js | **database :** MongoDB · SQL | **Tools :** Windows · Linux · Git | **Other :** Agile methodology · Writing optimized and scalable code · deployment · testing · debugging · OOP | **Soft Skills :** written and verbal communication · teamwork · collaboration

## PROFESSIONAL EXPERIENCE

### Software Engineer Intern

Kavobits LLP

Ahmedabad , Gujarat

- Developed a web application from scratch utilizing MERN stack technologies, Completed rigorous code review processes, and ensured adherence to coding standards and software engineering principles. Utilized database management tools to deploy the application and enhance product scalability.

## PROJECTS

### Ana the Chatbot

anathechatbot.netlify.app

- Designed, developed, and launched a comprehensive chatbot platform using the MERN stack and integration of AI platforms to ease some of daily life problems, resulting in 95% accuracy.

### The gallery app

Developed and deployed a cutting-edge MERN stack application, empowering users to effortlessly manage images in a database; facilitated efficient CRUD operations, streamlining data management and driving user satisfaction.

## EDUCATION

### Bachelor of Computer science

ITM SLS university · Vadodara,Gujarat · 2023 · 7.5 CGPA

### Diploma In Computer Engineering

RMS polytechnic · Vadodara,gujarat · 2020 · 8.6 CGPA

## COURSEWORK

### Bachelors and Diploma

- Object-Oriented programming · Operating System · Database Management System · Computer Networks · Design and Analysis of Algorithms

## INVOLVEMENT

### Admission counselor

- helped over 100 students navigate the admission process by providing effective counseling and hosting information sessions to address any concern
