MEHUL BORSE

An Aspiring UI/UX Designer

Seeking a UI/UX designer position to apply my passion for creating intuitive and visually appealing user experiences. Committed to leveraging design principles and user-centered methodologies to contribute to innovative digital product development. Eager to collaborate in multidisciplinary teams and stay updated on emerging design trends to drive creativity and deliver exceptional results.

WORK EXPERIENCE

**Pratishri IT
Solutions Pvt. Ltd.**

(Jan 2023 -
Apr 2023)

UI/UX Design
Intern

Here I completed my 3 months internship in UI/UX. Got hands-on experience in Figma and other design tools such as Framer. Worked on various projects including WhatsApp Redesign, Food Ordering App, OTT app, etc.

**Yantre Venture
Pvt. Ltd.**

(Mar 2023 -
Present)

UI/UX Designer

Here I'm working as a UI/UX Designer. Working on various real-world projects including Educational Apps, Food Delivery Apps, Websites, Icon Set Projects, and so on. With my work here so far, I have improved my creative thinking for user experience design too.
