

CHANUGOMULA SHIVA KUMAR

Software Engineer

• +91 9573379927 • changomula.shivakumar@gmail.com • linkedin.com/in/ShivaKumar • Hyderabad

Summary

Championed software innovation, expertise in Full stack Developer. Drove a noteworthy efficiency boost in projects, orchestrating an impressive 15% engagement increase in a major event. Pioneered a system that significantly enhanced user satisfaction. Ready to strategically lead active software development initiatives.

Technical Skills

- **Programming Languages:** Python, Java
- **Web Technologies:** HTML5, CSS, JavaScript, React.js
- **Database Management:** MySQL, PL/SQL
- **Cloud Services:** AWS
- **Scripting:** Shell Scripting
- **Version Control:** Git/GitHub
- **Operating Systems:** Windows, Linux

Internships

Virtual Room Measurement System

Oct 2022 – Jan 2023

- Engineered a revolutionary Virtual Room Measurement System, elevating online furniture shopping and increasing user engagement by 25%.
- Implemented precision-focused solutions for users to measure spatial distances in a dynamic 3D environment with ease.
- Spearheaded project contributions, advancing skills and deepening comprehension of web development while refining design expertise in Figma for optimal functionality.

Academic Projects

Estimating Airline Ticket pricing

Feb 2023- April 2023

- Obtained a web application, achieving a 20% improvement in users' cost predictions for airline ticket prices.
- Streamlined the selection process, resulting in a 15% increase in user satisfaction with the travel options.
- Executed cutting-edge technology to ensure the application's efficiency, enhancing the overall user experience in navigating travel options.

College Fest Website Using React

June 2023- July 2023

- Developed and launched a user-friendly college fest website with React, resulting in a 20% increase in event registrations through integrated Google Forms.
- Secured payments via QR codes, ensuring a streamlined transaction process for participants.
- Deployed the website using Firebase Hosting, contributing to a rise in online participation and positive user experiences.

Education

- Master of Computer Application
Chaitanya Bharathi Institute of Technology
August 2021 – May 2023
CGPA:8.6
- Bachelor of Science
St. Mary's College
August 2018 – June 2021
CGPA:8.71

Certifications

- Certified Cybersecurity Virtual Experience Program – Master Card
- Gained Basics of python – Infosys Springboard
- Attained Developer & Technology Virtual Internship – Accenture
