SUMMARY

Ambitious, self-driven, and assertive individual, who thinks laterally to come up with practical solutions to problems. I aspire to utilize my in-depth knowledge of Software Development and expertise in programming languages to help organizations flourish as well as lead to my professional growth.

TECHNICAL SKILLS

Programming languages:

Java, Python, C++

Web Technologies:

HTML5, CSS

Data Management:

MySQL

Platforms:

Unix, Windows

CERTIFICATIONS

- Certificate of Responsive Web Design | freeCodeCamp | Nov'22
- JAVA & C++ Programming Essential Bootcamp | Lets Upgrade | Sep'22

POWER SKILLS

- Leadership
- Teamwork
- Problem-Solving
- Time management

EXTRA CURRICULAR ACTIVITIES

- Participated in few Coding Hackathon | Dec'22
- Volunteered some events held for college | Nov'18

SUMMER TRAINING

Data Structures and Algorithm / C++ | Lovely Professional University Jul'22

- Completed a training of 35 days, and gained a wealth of knowledge and practical skills in this training.
- Included a mix of theoretical lectures, coding exercises, and practical experiences.
- Helped to develop a deep understanding of various data structures and algorithms.

PROJECTS

Hospital Management System Oct'22

- Domain: Web Application | Programming Languages: Python
 - Built an application to track the number of patients waiting for an appointment with the Doctor.
 - Utilized python and a graphical user interface to make it user-friendly and easy to use by the Clients.
 - Aimed to manage the flow of patients more efficiently, without any haphazard.

Online Bookstore

- Domain: Web Application | Programming Languages: JAVA, HTML, CSS Jan'22
 - Developed and designed a website to manage, buy, add, remove and sell books.
 - Created a portal for Book name and Quantity selection, auto receipt generation and payment options.
 - Created a login and logout security for both user and admin, and a separate Profile for all.

ACHIEVEMENTS

Solved 105+ questions on GeeksforGeeks Sep'22 - Present

Received 50% scholarship for academic performance Oct'21

Participated in a college coding competition and won the 2nd place award. Feb'18

EDUCATION

Master of Computer Application Jul '21 – Jun '23

Lovely Professional University | Phagwara, IN

CGPA 8.18

Bachelor of Computer Application Jun '17 – Aug '20

Sher Shah College | Sasaram, IN

CGPA 7.6
