## CAREER OBJECTIVE

As an ambitious graduate, I'm eager to immerse myself in cutting-edge projects and aim to contribute fresh perspectives and collaborative energy to drive innovation within your dynamic team.

## ACADEMIC EDUCATION

<b>Master of Computer Applications (MCA)</b> – 8.678 /10 CGPA	[2021 – 2023]
Aurora's PG College, Hyderabad, Telangana.	[2017 – 2020]
<b>Bachelor's Degree (B Sc-Computer Science)</b> – 8.4 /10 CGPA	
Viveka Vardhani women's Degree College, kothagudem, Telangana.	[2015 – 2017]
<b>Intermediate/+2</b> – 88%	
Nalanda Junior College, kothagudem, Telangana.	[2015]
<b>Matriculation (SSC)</b> – 7.8/10 CGPA	
Viveka Vardhani high School, Kothagudem, Telangana.	

## TECHNICAL (HARD) SKILLS

### PROGRAMMING LANGUAGE: CORE JAVA

- Knowledge in Core Java programming with a comprehensive understanding of Object-Oriented Programming (OOPS) concepts (Polymorphism, Inheritance, Abstraction, Encapsulation) and design patterns.
- Able to utilize Data Structures like Arrays, Strings, Linked Lists along with other concepts like Exceptional Handling, Multi-threading, Packages, Collections.

#### J2EE 1.API: JDBC

- Involved in connecting database with JDBC.

### 2) FRAMEWORK: HIBERNATE

- Implemented CRUD operations (Create, Read, Update, Delete) using Hibernate for seamless interaction with relational databases.

- Utilized Hibernate annotations and implemented effective Object-Relational mapping ( ORM / XML mapping) for seamless integration of Java classes with database tables.

## **WEB DEVELOPMENT: HTML, CSS, JAVASCRIPT**

- Good hands-on HTML tags and CSS properties (Box model, Pseudo Classes, Flex Properties, Font Properties).
- Have knowledge in basic JavaScript (Strings, Arrays, Objects, Math Functions, DOM Model, Event Handlers).

## **DATABASE: ORACLE SQL**

- Good understanding of RDBMS concepts(data types, constraints, operators) and knowledge of SQL statements(DDL, DML, DCL, TCL, DQL) and clauses(where, group-by, having, order by).
- Good Knowledge of Joins, Aggregate Functions and writing SQL queries.

## **MS-OFFICE: WORD, EXCEL, POWERPOINT.**

## **OPERATING SYSTEM:** windows

Having knowledge in Linux operating system.

- Having knowledge in usage of cloud service like amazon Web services.

---

## **ACADEMIC PROJECTS**

---

### **PET PORTAL (Web Application)**

---

- Modeled and designed a user-friendly application, “PET PORTAL” using web(Designing), python (Programming Language), Firebase SQL (Database) and Visual Studio (IDE).
- Devised to optimize community living by facilitating efficient resource management and seamless access to petportal amenities.

#### **Key Features:**

- User-friendly interface, efficient resource allocation and management.  
Streamlined booking process and communication chat.  
Robust access control and security measures.

**Achievements:** Enhanced community resource utilization, resulting in improved living experiences and positive feedback.

---

## INTERNSHIP & CERTIFICATIONS

---

### 1) Intern at KLEE Technologies [January 2023 - March 2023]

- Collaborated with the development team to design and implement new features for the Web design and implemented responsive and user-friendly UI components using html,css,bootstrap.
- Assisted in integrating SQL Real-time database for efficient data storage and retrieval and python participated in code reviews, providing constructive feedback and acquired knowledge in python Studio.

### 2) Certification of completion of Accenture Nordics Developer on Forage | Accenture

### 3) 3) Full-Stack Development Course | JSpiders, Dilsukhnagar, Hyderabad

---

## PERSONALITY TRAITS (SOFT SKILLS)

---

- Self-Motivated, Detail-Oriented and can adapt to new technologies and challenges.
- Possess good verbal and written communication skills, Problem-Solving skills.
- Tech-Enthusiastic and committed to continuous learning and growth.
