Education

RVS College of Engineering and Technology , India <ul style="list-style-type: none">Branch : computer Science Engineering CGPA :8.34	2020 - 2024
Delhi Public School (DPS BOKARO), India <ul style="list-style-type: none">CBSE (Class XII) Aggregate: 95.4 %	2018-2020
St. Stephen's School , hazaribag, India <ul style="list-style-type: none">CBSE(Class X) Aggregate: 94.6 %	2018

Skills

C++ | C | JavaScript | Node js | React | MongoDB | Blockchain | MySQL |Opps | Material UI | HTML | CSS |Big data | Hadoop
Rest Api | Redux | github | Data structure & Algorithms

Work Experience

Sikharthy Infotech pvt. ltd.

Position : SOFTWARE DEVELOPER INTERNSHIP

May'2023 - July' 2023

- Tech stack** : React , NodeJs, MongoDB, Material ui,
- Learning**: Learned how to cooperate with other members of the team and the importance of github.
- teamwork to accomplish any task.
- Contribution** : improve the site loading time by using “ render “ in place of “component” while routing.
- By using “minification” and “compression” we decrease the size of the project .

Projects

Old Book ReSelling App (ongoing) link : https://github.com/abhiraj150802/old_book_reselling-MERN-

Explanation: as we are facing one problem that i.e to buy some old books we have to travel a lot ,and some of my seniors have that book but we are not aware of that , so they can sell and buy through this.

- Tech stack** : React , NodeJs, MongoDB, Material ui ,Redux
- Those who want to sell , have to register themselves as a seller
- Their is a login / signup option for buyers
- Learning** : Learn how to work on a full stack project .

Sorting Visualizer

Explanation: As I have done this project as a learning implementation of data structure algorithm i.e how it works behind with the help of react .

- Tech stack:** React , css, html,redux
- link:** https://abhiraj150802.github.io/sorting_visualizer_react/

Academic and Extracurricular Achievements

- Secured **less than 500 rank twice** in geeksforgeeks contest.
- Winner of “**Hashcode**” (coding competition) held at NSU (Dec , 2023)
- 2nd rank** in geeksforgeeks (college level) <https://auth.geeksforgeeks.org/user/abhirajraj20/>
- Winner** of intra college **technical quiz** competition 2023
- Member of technical team of techno-cultural fest
- Coding profile** : <https://auth.geeksforgeeks.org/user/abhirajraj20/>
