## Objective:

Dedicated and highly motivated fresher with a versatile skill set encompassing Java, C, C++, SQL, Python, HTML, CSS, JavaScript. Seeking an entry-level position where I can apply my comprehensive range of skills to create robust and innovative web applications. I am eager to contribute to dynamic projects, while continually enhancing my knowledge and collaborating in a forward-thinking work environment.

## Education:

Qualification	Institute	End date	CGPA
B.Tech-CSE	Sree vidyanikethan engineering college	April,2024	9.3
Intermediate	Narayana junior college	March,2020	9.94
High School	Vidya vihar high school	March,2018	10

## Technical Skills:

- Programming Languages: Java, Python, C++, C
- Web Development: HTML, CSS, Javascript
- Database Management: SQL
- Datastructures: Array, LinkedList, Stack, Queue, Sorting Algorithms, Searching Algorithms, Trees

## Experience:

Web Developer Intern( Virtual )

Emertxe Webstack Academy

Bangalore, Karnataka

August,2023-October,2023.

## Projects:

### 1. Food Delivery Web Application (Emertxe Webstack Academy)

- Developed a fully functional food delivery web application using MERN stack technologies.
- Designed and implemented an intuitive user interface for customers and restaurant owners.
- Implemented features like user registration, order placement, and order tracking.

- Utilized MongoDB for efficient data storage and retrieval.

## 2. Medinfo Website (Personal Project)

- Created a responsive website to provide medical information and resources.
- Developed using HTML and CSS for frontend design.
- Composed search functionality for easy access to medical articles and resources.
- Continuously updated and maintained the website with new content.

## 3. Portfolio Website-( <https://premej.github.io/Portfolio-website/> )

- Created a responsive website that shows all my information about education, projects, skills, contact and social media websites.
- I have used HTML and CSS to build this website.
- It is so efficient and user friendly website.

### **Achievements:**

- Received recognition for outstanding teamwork and problem-solving skills during the internship at Emertxe Webstack Academy.
