SSC

06/2015 - 04/2016

Shreepatrao Bhosale Highschool Osmanabad Percentage - 91.80 %

## **Internship Details**

Company- WIPRO Limited

**Role-Project Engineer** 

Project Name- Online Pizza Delivering System

Team members -10

Technologies – Java, HTML5, CSS3, JavaScript, React.js, MySQL, Hibernate, Spring Boot

## **Description** -

- Online Pizza ordering system is a web-based application that enables customers to order their pizzas online for home delivery or pick up from the pizzeria.
- In this 5 month of internship, I have learnt about practical knowledge of both front-end and back-end technologies and worked on those technologies while making the capstone project.

## **Responsibilities -**

- Created Login/Sign-Up page, admin module.
- Designed Dropdown Menu option.
- Created Dashboard and pricing panels for different flavors of pizzas using front end technologies.
- Provides valuable data and increase efficiency.

## **Academic Project**

- Project Name Smart Attendance System Using RFID Cards
- Team members 8
- Technologies Java, HTML5, CSS3, Bootstrap, JavaScript, Hibernate, Spring Boot, React.js

## **Description -**

- This RFID-based attendance system enables automation, eliminating several problems connected with the manual process such as time wasting, proxies, and the possibility of losing the attendance sheet, in contrast to the traditional attendance system which depends on manual signatures.
- By using this smart attendance system, the student's attendance information with RFID tag can be get in time. This system can reduce manpower. This system is convenient for schools, college, university and higher educational levels and easy to use.

## **Responsibilities -**

- Collect the entire data from the database manager.
- Created student registration page.
- Managing assigned tests, timetable and display over the student's panel.
- Design separate admin panel.
- Created notice board on Home page.
- Created attendance score card and display the entire attendance record on individual login account.

## **Certificates**

- Project completion certificate on JAVA/J2EE from WIPRO company
- Internship certificate of C/C++
- Front End Development HTML5 (Great Learning)
- Front End Development CSS3 (Great Learning)

### Awards and Achievements

- Every time among the top 3 students of CSE department in the academics.
- Got 2<sup>nd</sup> prize in Rangoli Competition at College of Engineering Osmanabad.
- Winner of singing competition at PMKK Osmanabad.

#### **Interests**

- Singing and Listening songs
- Playing games
- Drawing
