WORK EXPERIENCE

INTERNSHIP - Bombay Tone

🌱 Designed the Bombay Tone Website and graphics for advertisement & Marketing.

🚧 Worked with the founders to ideate on major features, such as personal chat and Therapy

AUG 2023 - NOV 2023   Certificate

EDUCATION

Internet - Thanks to Adam Wathan & Steve Schoger

📊 Learnt everything from internet by Video, reading documentation, collaborating with people who love to design.

📒 Love watching design content like as we Indians watch centuries of Sachin and Virat

APR 2022 - AUG 2023

SKILLS

Is it possible to use 100% of the brain - Watched Lucky multiple times

Product Design, User Interface Design, Product Research, User Flows, Prototyping, Front-end development, Design Thinking

TOOLS

It doesn't matter what software we use today - Because Every technical skills get outdated

Figma, Adobe XD, Adobe illustrator, Notion, Google Analytics
