✔️Design Pattern: Demonstrates familiarity with common design patterns, providing efficient solutions for software development.

✔️HTML5, CSS3, JavaScript, Bootstrap: Indicates proficiency in front-end web development technologies, enabling the creation of visually appealing and interactive web pages.

✔️SQL: Shows expertise in working with SQL which are crucial for handling data in various applications.

EXPERIENCE

29/07/2023 - 28/10/2023
Anderson lab
Java Trainee

EDUCATION

2016
Siddharth High School
10th Class
8.3

2016-2018
Sree Master Junior College
Intermediate
70.2

2018-2022
K.S.R.M College Of Engineering
Mechanical Engineering / B-TECH
7.42

20-08-2022 to 15-03-2023
JSpider
Java full stack developer

KEY SKILLS

Core java, JDBC, Servlets, JSP, Spring MVC, Hibernate,Spring boot, Design Pattern, HTML5, CSS3,Javascript , Bootstrap, SQL, MySQL, Postgresql.

PROJECTS

Hydrogen Production and fuel cell technology and it's application of CI Engine
The aim of project to Design fuel cell with less price and more safety,Reduce backfire.Implementing in CI Engine.

■Tools: Demonstrates familiarity with various development environments and tools, including Visual Studio Code, Edit Plus, Eclipse showcasing adaptability to different coding environments and databases

LANGUAGES

Telugu ,

English ,

Hindi.

ACHIEVEMENTS & AWARDS

i. Manac infotech pvt Ltd -Get course completion and appreciate in Java programming (Certificate).

ii.Skillup - get course completion in web technology and Java(certificate).

iii.NASA Indian Talent (District 1st place).

User management system using Java and spring boot frame work

This a java based backend application develope using spring boot frame work this application store's all user information in database.useing this application it easy to search, update, delete,and retrieve any user details by just entering user id. The application is developed in java using spring boot frame work and data base used is my SQL .The application is tested using postman api.

HOBBIES

Cooking.

Lesson Music.

EXTRA CURRICULAR ACTIVITIES

Participate Voluntary NSS Unit camp in Rural Areas.

Playing Kabbadi.

First level in University running race get 1 place .

INTERNSHIP

Manac infotech pvt Ltd.
Course: Web technology.
Duration:15-jun-2021 to 30-sep-2021.

WORKSHOPS

Web application development,java project Architecture.
