Work EXPERIENCE

Job Title :Intern (flutter developer) Company :Zed Digital　　　　　　　　**June 2023 –Sept2023,Coimbatore**

During my internship, I gained hands-on experience in UI design, testing, and implementing UI functionalities. I actively contributed to the development of the Zig Telematics app, where I worked on real-time API integration for Google Maps and database management. This experience enhanced my skills in Dart programming language, and I also conducted app development, unit testing, and integration testing.

Job Title:Intern(Full stack developer) Company :Virtusa　　　　　　　　**Jan 2023 – May 2023, Chennai**

I acquired proficiency in UI development and bug fixing,git version control ,enabling effective collaboration with team members and maintaining code base integrity. Additionally, I completed the OCJA Java certification course during my internship,enhancing my Java programming skills.

PROJECTS
