SALONI VIRADIYA

UI/UX Designer

Passionate and creative UI/UX designer with a keen eye for user-centric design. Proficient in translating complex ideas into intuitive and visually appealing interfaces. Skilled in wireframing, prototyping, and collaborating with cross-functional teams to deliver seamless user experiences. Adept at conducting user research and usability testing to inform design decisions. Strong proficiency in industry-standard design tools, such as Adobe XD and Figma. Committed to staying updated on design trends and emerging technologies to enhance the overall user experience.
