SKILLS

Problem Solving   C
C++   React   SQL
HTML   CSS
JAVA

LANGUAGES

Tamil
Full Professional Proficiency

English
Full Professional Proficiency

INTERESTS

Learning new Technology

solving Puzzles

Drawing   Cycling

Badminton

EDUCATION

Bachelor of Technology -Computer Science and Engineering
Puducherry Technological University
08/2019 - 05/2023

Higher Secondary(State Board)-10th
Immaculate Higher secondary School Puducherry
06/2016 - 03/2017

Higher Secondary(State Board)-12th
Immaculate Higher secondary School Puducherry
06/2018 - 03/2019

PROJECTS

SUPERMARKET DATABASE MANAGEMNT
- To manage the supermarket database including the details of the Employees who work in the supermarket under different sections details of customers who purchase products in the supermarket details of those products and its billing information.

ONLINE EXMAINATION SYSTEM
- It is the Technology driven to simply examination activities like defining exam patterns with question blanks,defining exam timer ,question sections conducting exam using computer or mobile devices in a paperless manner. The main advantage of this examination system is that it can be used to administer paper-less tests and also get instant test results.

INTERNSHIP EXPERIENCE

NEXGEN TECHNOLOGY
Heart Disease Prediction using ML and AL

02/2023 - 04/2023
A Heart disease prediction using recurrent neural networks (RNN) with the whale optimization algorithm(WOA) Heart disease is a leading cause of mortality worldwide, necessitating accurate prediction models for early detection and intervention. In this study, we propose a heart disease prediction approach using Recurrent Neural Networks (RNN) with the Whale Optimization Algorithm (WOA).

CERTIFICATES

Programming in C - NIIT

Programming in C++ - NIIT

Machine Learning Using Python - Puducherry Technological university

Game Development - Nandha Tech

Human Resource Management - NPTEL
Offered by IIT KHARAGPUR

Forest Resource Management - NPTEL
offered by IIT GUWAHATI
