Mohammad Akbar

FRONTEND / REACT JS DEVELOPER

Hello, I'm Mohammad Akbar, aspiring to launch my career in the software development industry. Armed with a year of internship experience in frontend development, I've honed my skills in React.js, HTML, CSS, JavaScript, Next.js, Git, and Bootstrap. I've embraced the challenges with passion and determination. Eager to contribute, learn, and grow in an entry-level role, I bring a unique perspective and a solid foundation to your dynamic team.
