WORK EXPERIENCE

Firstricoz private limited (10/2023 - Present)
- Frontend Developer - I have been weaving magic over at Firstricoz private limited, sprinkling a bit of REACTJS and TailwindCSS to create websites that not only look good but feel amazing to use.

Cognizant (02/2023 - 07/2023)
- Mainframe Developer - Develop, enhance, and maintain mainframe applications using JCL, VSAM, COBOL, and DB2. Collaborate with cross-functional teams to gather requirements and design technical solutions. Perform unit testing and debugging to ensure the reliability and efficiency of applications.
