EDUCATION

PG - Diploma in Advanced Computing
CDAC SunBeam, Pune
03/2023 - 09/2023   *67.88*

M. Tech(Additive Manufacturing)
National Institute of Technology, Warangal
08/2019 - 08/2021   *67.5*

B.E.(Mechanical Engineering)
Sinhgad Institute of Technology,Pune
08/2015 - 08/2019   *73.3*

Intermediate(XII)
Anglo Urdu Boys High School,Pune
06/2013 - 06/2015   *74.3*

High School(X)
Maharaja Sayajirao Vidyalaya,Satara
06/2012 - 06/2013   *94.18*

PERSONAL PROJECTS

Title: Grocery Management System (06/2023 - 09/2023)
- **Description:** The Grocery Management System has Admin, Vendor and Customer roles. Customers are empowered with the functionality to place grocery orders, while administrators process capabilities such as adding/removing vendors and updating the product inventory. Vendors, on the other hand are equipped with the ability to manage and update the product inventory.
- **Technologies: Java, MySql, React**

Title: To-Do List Application
- **Description:** A project management to-do list is a collection of tasks that outlines the work a project manager or team plans to complete during a project. React library is used for building UI alongwith HTML to structure a web page and CSS is used to syle and layout webpage.
- **Technologies: React, HTML, CSS**

Title: Jenkins CI/CD with GitHub Integration
- **Description:** GitHub account is integrated with Jenkins server. When source code is updated by devleoper, Jenkins pipeline is automatically triggered and new docker container will be up in running. AWS environment is used to build this Jenkins automated pipeline.
- **Technologies: Git, GitHub, Docker, Jenkins, AWS, Linux**

SKILLS

Java | MySQL | Linux | React | HTML | JavaScript | CSS | C# | .NET | Spring Boot | Spring | Core Java | Problem Solving | DevOps | Jenkins | Docker | Git

ACHIEVEMENTS

Qualified GATE 2019 exam in mechanical engineering with score 498.

Received certificate of appreciation from college.

Participated in intercollegiate chess tournaments.
