EXPERIENCE

React Native Wizard | Md Tech - Surat, Gujarat | May 2023 - Present

🌐 **Embarking on Digital Journeys:** As a React Native maestro at Md Tech, I'm not just a developer—I'm a navigator in the digital realm. Collaborating seamlessly with an exceptional team, I've become the compass guiding our projects to success. My knack for problem-solving has not only kept the ship afloat but also propelled it forward.

🚀 **Beyond the Horizon: Independent App Odyssey** In the vast expanse of app development, I've boldly ventured where few have gone—conceptualizing and crafting full-scale applications from scratch. An independent trailblazer, I've showcased not only self-reliance but a touch of digital artistry and an innate understanding of React Native principles.

🎨 Gallery of Professional Achievements: Key Project Contributions
Delve into the impactful projects I've contributed to during my tenure at Md Tech, each representing a significant milestone in my professional journey:

1. **Drivemate:** Your go-to guide for all things road-related.
   https://play.google.com/store/apps/details?id=com.mdtech.rto.app
2. **Doggiepedia:** Unleashing a world of knowledge for canine enthusiasts.
   https://play.google.com/store/apps/details?id=com.mdtech.doggiepedia
3. **DMV Test :** A companion for conquering the driver's seat with ease.
   https://play.google.com/store/apps/details?id=com.mdtech.dmv.test
4. **Kitty Corner:** Purr-fectly designed for feline aficionados.
   https://play.google.com/store/apps/details?id=com.mdtech.kittycorner
5. **World Cup Schedule:** Your passport to the cricket spectacle.
   https://play.google.com/store/apps/details?id=com.mdtech.worldcup.schedule
6. **Event Planner** : Seamlessly organize and plan your upcoming
   events.https://play.google.com/store/apps/details?id=com.mdtech.events.calendar.planner
7. **SkyView Universe Explorer**: Embark on a celestial journey to explore the universe.
   https://play.google.com/store/apps/details?id=com.mdtech.skyview.explore.universe

🚀This experience has solidified my expertise in React Native and honed my ability to work both collaboratively and independently, demonstrating my dedication to delivering high-quality mobile applications.
