Priyanka Patil

UIUX DESIGNER | GRAPHIC DESIGNER

Available

I am a UIUX designer. I specialize in creating web and mobile applications. I turn ideas into reality to create a product for every taste.

EXPERIENCES 2.5 years

Appointy India Bhopal (June 2021 - Oct 2023) UI & Graphic Designer

- Designed user interfaces for web and mobile applications
- Collaborated with cross-functional teams to create wireframes, prototypes, and high-fidelity designs
- Developed and maintained design systems and style guides for consistency across products
- Worked closely with developers to ensure designs were accurately implemented

EDUCATION

Bachelor of Fine Art (BFA) (2016-2020) VIVA Institute of Applied Art

- Learned about the principles and elements of graphic design, typography, color theory, layout design, and visual communication.
- Also learned about designing websites, user interface, web development, and coding, and how to create visually appealing and functional websites.

Achivements

- Nominated for State Art Exhibition in 2016-17.
- Best Portfolio Award, Best Drawing Award (First Class) in 2017-18.
