SAYYAD SOHEB

React JS Developer

Phone: 9604376207
Email: sohebs5050@gmail.com
Address: Nanded, Maharashtra, India.
LinkedIn: https://www.linkedin.com/in/soheb-sayyad-a31730225/

- I have **2+** years of experience in React JS from.
- I have been actively engaged in front-end development since 2021, during which I have honed my skills in various key technologies and frameworks.
- I have gained proficiency in HTML, CSS, and JavaScript, laying a strong foundation for web development. Additionally, I have delved deeper into the world of modern web development, mastering React and Redux for building dynamic and efficient user interfaces. My expertise extends to using HTML and Tailwind CSS to create well-structured and visually appealing web applications. I am passionate about staying up-to-date with the latest industry trends and continuously improving my craft.

EMPLOYMENT HISTORY

React JS Developer | Fyn tune Solution Private Limited., Mumbai   Jan 2022 - Aug 2023

In 1.7 years, I worked on 2 big Projects.
Motor Insurance

1. Motor insurance is software in which we provide motor insurance software to many companies like Bajaj Capital, Tata, ABIBL, OLA, Insuring All, Renew-by and 8 more companies.
2. I worked on Configurators, themes and compare pages.
- With the help of configurators, we can handle many conditions and Headings on the actual site for 10+
- Brokers I managed different types of 10+ brokers.
- I also worked on API and Redux Toolkit.
- And many Day By Day raising issues.

Core Frontend

1. Here also I handled the theme for the software.
2. Created Dynamic components.
3. In this project, I only worked on the UI part with Styled-components, MUI data grid and JavaScript
4. Here we created Dashboard link things in which we showing data for different sections of company.
