# Parth Kanani

parthkanani40@gmail.com | +91 8154967649 | Surat,Gujarat, India

## SKILLS

### LANGUAGES
- Advance : C, C++
- Intermediate : Swift
- Familiar : Python

### FRAMEWORK & LIBRARY
- SwiftUI • Kingfisher

### DATABASE
- Firebase

### ARCHITECTURE PATTERNS
- MVVM

### DEVELOPER TOOLS
- Xcode • VsCode

### GENERAL
- Data structures • Algorithms
- Problem Solving

### OTHERS
- iOS App Development
- GitHub • Git

## EDUCATION

### SARVAJANIK COLLEGE OF ENGINEERING & TECHNOLOGY
B.Tech in Information technology
Aug 2021 - May 2025
Grade : 9.67

### SHREE SWAMINARAYAN GURUKUL VIDYALAYA
HSC in PCM
Jun 2019 - Jun 2021
Grade : 87%

## PROFILE LINKS

LeetCode : // Parth_kanani5
GeeksForGeeks : // parthkae5kl
Github : // parthkanani123
LinkedIn : // ParthKanani

## PROJECTS

### INSTAGRAM CLONE | Link
- Implement features like user authentication - login, signUp, signOut, feed, search, upload post, edit profile
- Used Kingfisher - 3D party library for image downloading and caching
- Swift, SwiftUi, Xcode, Firebase, MVVM, Kingfisher

### APPETIZERS - APP | Link
- iOS Food App Contains - product list, detailView, orders, profile
- Used cache to store downloaded images which eliminate network call and boost app performance
- Added detailView comprises of image, price, description and some nutrition - protein, calories, carbs etc for all items
- Crafted profile management with some validations & alerts
- Swift, SwiftUI, Xcode, MVVM

### APPLE - FRAMEWORKS - APP | Link
- Added 15+ different frameworks
- Developed ListView and GridView for the same and detailView which involves image, title, short and crisp description of framework
- Added button which opens SafariView in the app, involves detailed documentation of the framework
- Swift, SwiftUI, Xcode, MVVM

### WAR CARD GAME | Link
- Added 12+ High-quality cards which wiggled user to play
- Developed UI by adding background, button, cards, scores etc & Result screen which pop up when user or computer win or lose the game
- Swift, SwiftUI, Xcode

## ACHIEVEMENTS

| | |
|---|---|
| Institute Rank **13** | GeeksforGeeks |
| **1500** Contest Rating | Leetcode |
| **250+** Coding problems solved | GeeksforGeeks |
| **160+ days** of Current streak | Leetcode |
| **700+** Coding score | GeeksforGeeks |
| **150+ days** of Current streak | GeeksforGeeks |

## COURSE WORK

Data Structures and Algorithms (DSA)
Object Oriented Programming (OOP's)
Operating Systems (OS)
Computer Network(CN)
Database Management System (DBMS)
