WORK EXPERIENCE

VONAGE HOLDING CORP (CONTRACT VIA QUESS CORP LIMITED)
Sr. UX Designer
25/11/2022 - 07/05/2023

I joined Contact Center Software, the Identity team. It was the best experience of my career. The challenges:
• Identified and solved problems for edge cases
• Made my design accessible for everyone
• Communicated and negotiated with stakeholders
• Planed and ran research studies with researches
• Created user-stories translated from wireframes to final-mocks and prototypes
• Designed User Interfaces for native APPs (mobile and desktop), and web

COMMERCE PUNDIT
SR. UX/UI Designer
11/07/2022 – 13/11/2022

I joined the company when it was just an idea, and I saw the company grow from scratch.
As a SR. UX/UI Designer, I've been involved in different tasks such as:
• Planed and ran research studies
• Identify user problems and plan the solution as a team player
• Designed the User Interfaces for native APP (Android and iOS)
• Designed the e-commerce platform based on Material Design and marketing material (newsletters, landing pages)
• Planed and ran user testing focused on user behavior with the goal to improve features

HODUSOFT PVT LTD
UX/UI Designer
01/08/2021 – 09/07/2022

This is Telecome industry product base as a UX/UI Developer. My tasks:
• Planed and ran UX research
• Designed User Cases and Custom Journeys
• Designed low-fi and high fidelity wire frames.
• Designed responsive User Interfaces (having in mind the mobile-first user experience) with a human-centered design approach
• Designed mobile apps User Interfaces
• Designed prototypes
• Implemented designs using HTML/CSS (hand-coding or using bootstrap).
• Implemented designs into Wordpress
