Board	CISCE(ICSE/ISC)
Medium	Telugu
Year of Passing	2016
Grade	75-79.9%

PROJECTS

Survey Form, 5 Days

- **Technologies Used :** HTML and CSS
- **Description :** Building a survey form is no rocket science. You need to acquaint yourself with the basic tags/input fields in HTML required to design forms. Then you can use the tags to create a text field, checkbox, radio button, date, and other vital elements contained in a form. Again, you can always use CSS to impart a better look and feel to your form and webpage.
